JUNE 26-27, 2007

University of Missouri
Animal Science Research Center
Columbia, Missouri

PROGRAM TIMES

June 26: 10:30 am - 7:30 pm

June 27: 7:30 am - 12:15 pm

COST: \$100 - Register in Advance
\$125 - Register at Door

Space is limited—Sign up TODA Y!

WHO SHOULD ATTEND

The Farrowing School is appropriate for owner/operators, farm employees or managers or high school students who have a swine project—anyone who farrows as part of their operation.

The two day seminar is great for those with a limited knowledge of pork production as well as for the veteran producer who would like a review of the basics.
